

QUALITY POLICY STATEMENT

The Quality Policy of Systematic Security Ltd has been prepared and endorsed by the management team to ensure that our customers receive a service which meets the requirements of ISO 9001 & ACS. They receive quality, reliability and integrity in the services provided by the company and that customer needs, expectations and requirements are met and maintained.

It is the Company's objective to achieve and maintain a Management System through the adoption of the above standards together with good managerial skills and techniques, excellent customer service, employee training and development, provision of appropriate equipment and compliance at all times with relevant legislation.

The policy is aimed at developing in each employee a sense of personal responsibility for quality, safety & the environment through our commitment to continuous improvement. Measurable objectives are set and monitored by the management through our management review meetings. This Quality Policy is also reviewed at each management review meeting.

The management system is in place to allow communication between all departments and employees to allow the company to carry all tasks in an efficient manner and ensure continual improvements in our working practices. We will ensure this quality policy is understood and maintained within the company. We will carry out all activities in accordance with customer, regulatory and statutory requirements.
