

ENVIRONMENTAL COMMITMENT

Systematic Security Ltd is committed to protecting and enhancing local and global environments and guaranteeing that activities are carried out in a sustainable way. It is the responsibility of all staff members, managers and directors to ensure we are all committed to the following: To meet this policy aim, we will ensure through our commitment to continuous improvement to:

Comply with relevant applicable legal requirements and to other requirements which relate to our environmental aspects.

- Minimise the production of waste
- Maximise the use of local products and local workforce
- To provide a safe environment for all employees
- To protect the environment when applicable

To further the aims of this policy we will:

- Provide adequate environmental training for all staff at no cost
- Assess the environmental performance of all suppliers.
- Develop a set of environmental targets and action plans.
- Review this environmental policy and its action plans periodically with a view to continuous improvement.

All new employees are made aware of the policy through induction training and a hard copy is available for viewing at all our offices. The policy is made available to the 3rd parties in response to enquiries.

The policy is reviewed annually and provides the framework for the setting and reviewing of our objectives and targets.
